

KATNICH  
DODD

### **Academic & Professional Summary**

- Member, Australian Institute of Building Surveyors
- Diploma of Building Surveying (TAFE Tasmania) - Current

### **Employment History**

- 2009, Katnich Dodd
- 2004, District Council of Yorke Peninsula  
Development Officer (Building/Planning)
- 1996, Self employed Draftsman
- 1986, Carpenter and Joiner

Brenton's career started in the building industry as an apprentice Carpenter & Joiner. Over a period of 10 years he worked on a wide range of residential and commercial projects and gained a license as a Building Work Supervisor.

From there he went into drafting and spend the next 5 years as a self employed Draftsman with experience in CAD designing residential, industrial and commercial buildings.

He then moved to Local Government and worked for the District Council of Yorke Peninsula as a Development Officer. During this time Brenton was involved in Council and industry committees including Building Fire Safety and the Northern Areas Local Government Inspectors Group.

Through this experience Brenton has broad-based experience and practical knowledge and understanding which assist him to develop practical solutions to building surveying issues.
